

# Mrs. Rohloff's Second Grade Weekly Newsletter

Week of February 11-15

## Second Grade News!

The students dinosaur research reports turned out wonderful! The students worked very hard to complete them. I will have the reports on display at Parent/Teacher Conferences.

There will be three tests this week. Tomorrow, there will be a social studies test on Unit 4. Please study the attached study guide tonight. On Friday, the second graders will have a spelling test on the words found in Unit 22. The new word list is attached. The theme 4 reading test will also be given this week.

This Thursday, on February 14th, our class will celebrate Valentine's Day! The students may bring valentines cards and a game to share with classmates.

## What Are We Learning About This Week?

**Spelling:** There will be a spelling test on Friday, February 15th. The word list for Unit 22 is attached.

**Reading:** This week, the students will take the Theme 4 Reading Test.

**Writing:** The students will participate in activities that will help with sentence fluency.

**Math:** Fractions will be studied this week. Math facts will also be practiced.

**Science:** The students will learn about matter and identify the three states of matter.

**Social Studies:** A test on unit 4 will be given on Wednesday.
