### What Are We Learning About This Week?

## SPeLLING

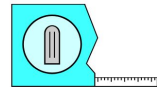

The students are spelling "Color Words" in Unit 27. There will be a test on Friday, March 22.

## reADING

The students will read the story, "Carousel." They will also learn about homophones (words that sound the same but have different meanings and spellings).

## MaTh

A new unit on "Measurement" will be introduced.

## sciENCE

The students will learn that objects can move in different ways. They will define the following vocabulary words: force (a push or pull that makes something move) and gravity (the force that pulls things towards the center of the Earth).
